

Turf Management – Turf Care Specialist

At Eagle Ranch, we deliver an exceptional golfing experience and every team member is inspired to exceed expectations. Our approach to resort development and operations is simple - we strive to provide the ultimate guest experience - which means hiring and retaining employees who strive for excellence in all that they do. This is not extraordinary for us; it comes as second nature to every member of our team.

Reporting to the Superintendent and Assistant Superintendent – **Turf Care Specialist** position is available in our Turf Management Department. You have a passion for preparing the golf course at the highest level, and show this to our guests with a genuine excitement for the great golfing experience that we offer at Eagle Ranch. You take pride in your ability to work outside in all weather conditions, commitment to safety and team work, and respect for colleagues, guests and the environment. You will always strive to exceed the expectations of our guests, and to create a professional and inviting environment that they will want to come back to.

Essential Functions:

- Safe operation of mowing, utility and hand operated equipment
- Working both independently, as well as part of a team
- Being punctual and prepared for each work day
- Interacting with the patrons of the facility in a polite, professional manner at all times
- Maintaining a clean, safe work environment on the golf course and in related facilities
- Maintenance of the greens, tees, fairways, rough, bunkers and all other related areas of the golf course
- Landscaping around facilities of the golf course and related areas
- Other duties as assigned

Experience/Background Preferred:

- Post-Secondary education relating to the turf industry is preferred but not required.

Basic and Behavioral Competency Requirements:

- Ability to work in a clean, organized manner with attention to detail
- Ability to use safe techniques while operating any equipment
- Ability to think clearly, analyze and problem solve
- Ability to perform physically demanding tasks
- Knowledge of safe work practices
- Ability to work as part of a team
- Ability to work in a respectful manner towards all colleagues and guests
- Ability to remain calm and courteous in demanding or difficult situations
- Ability to multi-task and adapt quickly to various tasks throughout the golf course

Technical Competency Requirements:

- Knowledge of safe operating practices for all equipment operation
- Ability to perform tasks such as string trimming, fly mowing, shoveling, raking, sweeping, blowing, mowing, walking, edging and other physically demanding jobs
- Ability to complete tasks in a timely manner with emphasis being placed on quality of execution
- Knowledge of Eagle Ranch policies and procedures

We thank all applicants in advance and look forward to reviewing your resume and cover letter. Only candidates selected for interviews will be contacted.

Please submit your cover letter and resume to:
